Jack's Marathon Team Displays Incredible Strength.Passion.Focus

Jack's Marathon team met a brutal Chicago Marathon - head on. The team ran in record heat, and we are extremely thankful that none of our runners suffered any long lasting ill effects of the elements. This year's LaSalle Bank Chicago Marathon presented a life challenge that ended in disappointment for some, exhaustion for others and posed life's greatest athletic challenge for most. We are forever grateful for the team's participation and their commitment. More information and personal stories will be posted in upcoming newsletters and on the website.
