**Invitation for Sunday, October 20.
The 21st Annual "This Run's for Jack"
Family Tent**

Please join us in the "Family Tent".

Each year families who have been affected by melanoma are invited to gather in the "Family Tent" to meet one another, our committee members and Board Members.

The tent honors Jack's spirit of hospitality...It serves as a place of respite, offering food, coffee and friendship to those whom melanoma has touched.

We look forward to seeing you on Sunday morning.

Sincerely,
"This Run's for Jack" committee and JHM Board members
